

Director of Municipal Services

The RM of Sherwood #159 is now accepting applications for the full-time position of Director, Municipal Services. The RM of Sherwood encompasses the City of Regina and includes a variety of industries from farming and manufacturing to tourism.

The RM is seeking a qualified, professional, career-minded leader for planning, delivery and evaluation of all infrastructure operations of the RM. Responsibilities include complex short and long-term project management, roadways, water treatment and delivery, equipment fleet management, risk management, budgeting, and labour relations. This executive-level leadership position reports to the Chief Administrative Officer

Applicants should have at least five years of progressive experience in project management, contract administration and construction supervision. An equivalent combination of these may be considered, municipal experience is preferred. At least two year's experience in a supervisory or management role is essential.

A certificate and/or degree in civil engineering technology or experience in municipal engineering and development will be a significant asset. A successful applicant must provide proof of a valid Class driver's licence and a clear criminal record check.

Please direct applications, including a current resume in confidence to Pam Malach, CAO, RM of Sherwood at the coordinates set out below.
