To: Sherwood Industrial Park (SIP) Potable Water Supply Users

Back Up Motor Issues

All users in SIP are advised that until Monday, April 17th, 2017 there is NO BACKUP pump in the event of a POWER OUTAGE.

This issue is ONLY a concern in the event of a power outage otherwise everything will be as normal.

The R.M. of Sherwood No. 159 would like to apologize for this inconvenience this may cause users.

If you have any questions, please call the R.M. of Sherwood office at 306-525-5237.
