RM of Sherwood Breaks Ground on New Water Utility Infrastructure

The RM of Sherwood is breaking ground on construction of its water treatment plant and water distribution infrastructure in its Sherwood Industrial Park. The water utility investment is being made to enable 612 hectares (over 1,500 acres) of new industrial/commercial development in the area. The event will be held at the project site for the new Water Treatment Plant and will include a ceremonial ground breaking with the RM Council and Staff.

Date: Monday, July 17, 2017

Time: 2:00 p.m.

Location: Corner of Sherwood Road and Pasqua St N

Parking: Available on Pasqua St N, north of Sherwood Road

Note: Reeve Jeff Poissant, Director of Public Works Rod Benroth and a Graham Construction Project Leader will be available for media interviews after the ground-breaking.
