

COMBCUT TO COVER CROPS FIELD DAY

28th July 2016

8:30am – 5:00pm

(followed by a BBQ at Keewatin Farm)

Registration \$65/person

(advance payment required to secure spot)

Come join us for a fun day and learn about:

- *mechanical weed control in organic production*
- *the benefit of green manure/cover crops in your crop rotation*
- *soil recycling, composting and wood chipping*
- *bee keeping and honey processing*
- *organic fruit production*

The event is open to everyone – organic, transitioning and conventional farmers, consumers interested in learning more about local food production.

*To register or to find out more contact Robyn Hamann
Phone/Fax: 306-781-4701 email: lrhamann@yourlink.ca*

Event Co-Hosted by:
