The R.M. of Sherwood will primarily be sending out newsletters via email. Should you wish to receive the R.M.'s newsletter via email, please visit

www.rmofsherwood.ca

to sign up!

If you do not have access to email and still wish to receive a paper copy of the R.M.'s newsletter, please call the

Municipal Office at

306-525-5237.

Online Banking Payments

Payments can be made online or through telephone banking at the following banks:

BMO Bank of Montreal, CIBC, Connexus Credit Union, RBC Royal Bank, Scotiabank and TD Canada Trust

When using this option it may take 3 – 5 business days for payment to be processed. If payment is not received in our office prior to the due date because of this reason, we will not waive any penalties that have been applied, nor honour any discounts that were missed.

For more information on online payments, please visit our website at:

<http://rmofsherwood.ca/departments/administration-finance/method-of-payment/>

Zoning Bylaw Update

RM Council and Staff are very pleased to announce the approval of the new RM of Sherwood Zoning Bylaw, Bylaw No. 18/17, came into effect from the Minister of Government Relations on March 21st, 2019.

The new Zoning Bylaw is now available for viewing on our website at:

<http://rmofsherwood.ca/departments/planning-development/zoning-bylaws/>

Development Process Guide

The R.M. of Sherwood has completed the first chapter of the Development Process Guide. This guide is intended to give those seeking to develop in the RM of Sherwood the basic understanding of the RM's development requirements.

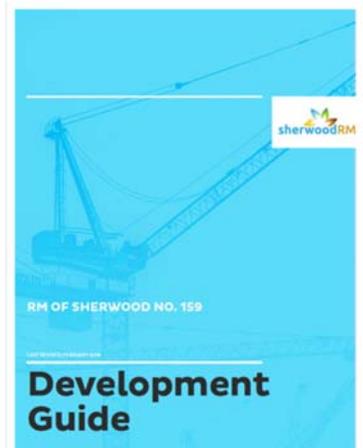

The first chapter highlights:

The RM's Planning Policies, Concept Plan Requirements, Subdivision Requirements, the need for Detail Designs and Planning and Construction Permit Approvals.

Administration intends to create additional chapters of this guide that will bring clarity to Official Community Plan or Zoning Bylaw amendments, Development Approval processes and will include legislated time lines to achieve mandatory public notices, detailed design and construction specification and standards.

For more information on the Development Guide, please visit our website at:

<http://rmofsherwood.ca/departments/planning-development/development-guide/>

The R.M. of Sherwood has hired Brad Wiebe, Manager of Planning & Development. Brad started on April 23rd, 2019.

Brad will be responsible for managing relationships with stakeholders, developers and Provincial Government partners, manage the Planning and Development department and work with engineers, architects on proposals and projects.

The R.M. of Sherwood has hired Barry Wiebe, as our new Manager of Public Works. Barry started on June 3rd, 2019.

Barry will be responsible for managing a workforce of heavy and light equipment operators and casual labourers, development and maintain short, mid and long-term plans for the Public Works operations which include roadway construction and maintenance.

Bulk Water at the Water Treatment Plant

1m³ = 220 imperial gallons
(approximately)

To purchase water, you may use a credit card or purchase a prepaid amount from the RM of Sherwood Municipal Office to use at any time. Water is sold in cubic metres (m³).

For more information on Bulk Water, please contact the Municipal Office at 306-525-5237.

Susan Stevenson came to the RM of Sherwood in 2013 as an Administrative Assistant. Susan moved to the Planning & Development department in June 2016 and has completed the Applied Land Use Planning Program at the University of Alberta. Susan was appointed to Development Officer by resolution of Council on August 9, 2017.

As a Development Officer, I work in tandem with the Planner to administer the RM's Zoning Bylaw, Bylaw 18-17 and Official Community Plan Bylaw, Bylaw 16-16. Specifically, I review and render decisions on permitted use development permit applications, stop work orders and building permits in accordance with legislative requirements. For discretionary use development permit applications I collaborate with the Planner to develop a recommendation for Council's consideration. It is rewarding work, representing the R.M. and encouraging and facilitating sustainable development through work with developers, stakeholders, ratepayers, consultants and the general public.

Water Treatment Plant

Construction at the Water Treatment Plant is complete, and the RM of Sherwood is officially supplying potable water to the Industrial Park.

Utility Connections

In Bylaw No. 17/17, A Bylaw to Regulate the Maintenance and Management of the Waterworks System, requires all properties to connect to the water system. All private and Co-op wells are to be decommissioned as per the Saskatchewan Water Security Agency's guidelines (FS-309) and inspected by the RM.

Please visit our website to complete the application forms for connecting to the distribution system.

<http://rmofsherwood.ca/departments/utilities/application-forms/>

If you require further information, please contact the RM of Sherwood Municipal Office at 306-525-5237.
