Merry Christmas & Happy New Year!

on behalf of Council and Staff of the R.M. of Sherwood No. 159

Reeve's Address...

Here we are wrapping up 2021. It's been a year of rebuilding within the staff and Council of the RM. The staff have worked very hard, persevered through changes and have demonstrated excellent teamwork. Council is part of that teamwork. The new committees are beginning to realize the benefits and the expedited discussions during council meetings.

The recent interest in development and industry in our community has provided excitement for our long-term development hopes.

On behalf of Council and the RM Staff, we look forward to working with all ratepayers and welcome new development in a time when we need a boost.

Take care and have a safe and happy holiday season! ..Sue

Snow Removal

The RM of Sherwood is responsible for winter road maintenance and snow removal on the RM roadways. To view the Snow Removal Maps or for more information on Snow Removal, please visit our website at www.rmofsherwood.ca

Landowners will be responsible for snow removal of their own sites and shall not move snow from private driveways onto RM roadways, ditches, channels or ponds. **Hauling and storage of snow from offsite is prohibited unless a Development Permit has been approved for a snow storage facility.**

Fire Protection

The RM of Sherwood's fire protection services are provided by the Regina Fire Department through an agreement between the RM of Sherwood and the City of Regina. When the Regina Fire Department responds to a fire or false alarm, all costs associated with their response are charged to the property owner.

Fire Fighting Insurance

The RM of Sherwood would like to advise everyone to make sure they have the appropriate Fire Fighting Insurance. Contact your local insurance broker to determine if your fire insurance policy covers the cost of fighting fires or false alarms. Fire response costs in 2021 varied from $1,200.00 to $10,000.00. A false alarm response could range in costs from $1,200.00 to $2,000.00

Controlled Burn Notices

The RM of Sherwood would like to remind everyone that when you are undertaking a controlled burn on your property, you must submit a Controlled Burn Permit Application to the RM of Sherwood. The Controlled Burn Permit Application can be found on our website. If you do not send in a Controlled Burn Permit Application and the Regina Fire Department is dispatched to your fire, you will be billed for that emergency response.

Site Development Guide

This site development standards manual is provided to existing and prospective site developers in the RM of Sherwood to provide information on the expectations, roles and responsibilities for the property owners and the RM. The document provides clarification regarding development standards and procedures, as well as ongoing long—term operation and maintenance of infrastructure elements .
To view the manual, visit our website at www.rmofsherwood.ca
