

### Municipal Assessment

SAMA, the Saskatchewan Assessment Management Agency, calculates and updates all assessments within the RM of Sherwood No. 159 (and most of Saskatchewan). The RM then prepares the assessment roll and communicates the changes to our ratepayers.

RM of Sherwood Administration has prepared the assessment roll and sent notices out on April 29, 2022. This does not, prevent anyone from appealing their assessment in any year. Notices were only provided where there has been a change of ownership or change in assessed value over the previous year.

General Inquiries regarding assessment notices or access to assessment and property information should be directed to the Municipal Office at 306-525-5237 or by emailing [info@rmofsherwood.ca](mailto:info@rmofsherwood.ca)

**At the date of this mailing, the 2022 Mill Rate Factors have not been set by Council.**

### Voyent Alert! Messaging

The RM of Sherwood is pleased to announce it has chosen the Voyent Alert! service to keep you informed of day-to-day notifications and emergency alerts in times of crisis. This service is FREE, easy to use and totally anonymous. To sign up, please visit our website at <https://rmofsherwood.ca/departments/administration-finance/vovent-alert-messaging/>

To apply to cut the ditches for hay, please contact the Municipal Office at (306) 525-5237 or by emailing [info@rmofsherwood.ca](mailto:info@rmofsherwood.ca)

### Dust Control 2022

Weather permitting, dust proofing will commence May 24th, 2022. The RM of Sherwood No. 159 will provide dust control at no charge along certain gravel roads for ratepayers who's residence is within 150 meters (500') from the roadway & where traffic counts are greater than 200 plus vehicles per day.

Should you wish to apply for additional dust control by your property, please contact the Municipal Office at (306) 525-5237 or emailing [info@rmofsherwood.ca](mailto:info@rmofsherwood.ca)

For more information on Dust Proofing, please visit: <https://rmofsherwood.ca/departments/public-works/dust-control/>

### 2022 Municipal Election

In November 2022 a municipal election will be held for RM Councillor's representing Divisions 2, 4, 6.

Election Day will be **Wednesday, November 9th, 2022**

To find out more information on running for municipal office, the nomination process, campaigning and nomination and candidacy tips, please visit our website at <https://rmofsherwood.ca/council/elections/>

## Electronic Notices from RM of Sherwood

In an effort to improve efficiency, reduce paper, printing and postage, the RM of Sherwood is introducing Electronic Notices to provide timely email delivery of:

- Property Tax & Assessment Notices
- Utility Bills
- Accounts Receivable Invoices
- Receipts
- Newsletters

We encourage everyone to consider signing up by completing the Consent Form on our website.

For those not interested in receiving electronic notices, please contact the Municipal Office via phone or email to ensure your contact information is up to date.

### 2022 Gravel Application

Weather permitting, gravel application of the RM of Sherwood roads will start the week of May 9th, 2022 starting in Division 6. Gravel application will take approximately 2 weeks per division. After Division 6 has been graveled, the next divisions will be 3, 4, 1, 2 and 5.

If you are interested in having your lane graveled or purchasing gravel, please contact the Municipal Office at 306-525-5237 or by emailing [info@rmofsherwood.ca](mailto:info@rmofsherwood.ca)

### Spring Road Bans

The RM would like to thank everyone that participated and adhered to the spring road bans. Your support and understanding made a significant difference this year in reducing roadway damage and allowed for the graders to get a head start in maintaining the roadways.

**The road ban will be lifted, starting May 9, 2022.**

## Controlled Burns

On March 11, 2020 Council adopted the [Refuse Disposal and Burning Bylaw No. 04/20](#). This new Burning Bylaw complies with Provincial open burning guidelines and Provincial legislation, such as *The Wildfire Act* and *The Saskatchewan Environmental Management and Protection Act*. Ratepayers/businesses are still required to complete the *Controlled Burn Permit Application* and must notify the RM of Sherwood 24 hours prior to igniting a Controlled Burn. Each Controlled Burn will receive a Burn Notification Number.

Items prohibited from burning:

- Burning barrels and the burning of refuse, treated pallets, painted/treated wood, construction materials, Styrofoam, plastics, paper, recyclable materials, flammable/combustible waste materials and/or dangerous goods are prohibited within the Municipality
- Burning particleboard, plywood, MDF, and other composite wood products held together by adhesives are prohibited within the municipality, unless for an approved industrial activity, pursuant to *The Environmental Management and Protection Act*.

For more information, or to apply, visit our website at, <https://rmofsherwood.ca/departments/forms/controlled-burn-permit-application-form/>

## Building or Renovating?

**Make sure you have the right permits.**

Development Permits are required for any building, engineering, or other operations in, on or over land or the making of any material change in the use of the land or building.

Building Permits Are Required:

- To construct a new building or structure
- To renovate, repair, add onto, alter, or reconstruct an existing building or structure.
- To develop all or part of a residential basement, recreation room, attic or install a fireplace or wood stove.
- For any repairs which change or affect the structural nature of a building or structure.
- For any work regulated by The Construction Codes Act and Regulations.

Please contact the Municipal Office at 306-525-5237 or visit <https://rmofsherwood.ca/departments/planning-development/> for more information on the administration of the Building Bylaw, Official Community Plan and Zoning Bylaw.
