RE: Notification of Review Period for the Environmental Impact Assessment on the Red Leaf Pulp Ltd. Non-Wood Fibre Pulp Plant Project

Dear Brad Wiebe:

The Saskatchewan Ministry of Environment (the ministry) requests your assistance in reviewing environmental assessment documents of Red Leaf Pulp Ltd. (Red Leaf) for the proposed Non-Wood Fibre Pulp Plant Project (the project). The proposed project is located west of Regina, Saskatchewan in the Rural Municipality of Sherwood No. 159.

As required by *The Environmental Assessment Act* (the Act), Red Leaf has prepared an environmental impact statement (the statement) evaluating the environmental implications of their proposed project. The Act requires that the statement and the ministry's review of the statement be made available for public review.

Please find enclosed a copy of the statement, a copy of technical review comments prepared by the ministry, and the public notice advertising the review period. Red Leaf has agreed to distribute these documents to you on behalf of the ministry. These documents can also be accessed on the project webpage at:
Publications Centre (saskatchewan.ca)

The ministry would appreciate your assistance in making these documents accessible to the public during your normal hours of operation during the review period of **September 10, 2022 -October 10, 2022**. We would also encourage you to place the documents on your local social media for wider distribution and to keep the documents on hand as reference material upon completion of the public review period.
