Dear Waterworks Owner/Operator:

RE: Rescinding - Precautionary Drinking Water Advisory – portion of Sherwood Industrial Park

The Water Security Agency, in consultation with the Saskatchewan Health Authority, is advising that the “Precautionary Drinking Water Advisory” (PDWA) issued by the Water Security Agency for Pasqua Street North (addresses between 2930 - 3279 Pasqua Street North), in the RM of Sherwood No 159’s Sherwood Industrial Park water distribution system has been rescinded immediately.

The rescinding of the PDWA was based upon information provided by your community, which included:

- The break has been repaired;
- The required bacteriological samples have come back negative for bacterial growth.

Your clients may return to normal monitoring requirements as identified in your permits monitoring schedule. Thank you for your cooperation in this regard. For further information please do not hesitate to contact the undersigned at (306) 539 4188.

Sincerely,
