OPEN HOUSE

Local residents of the Sherwood Rural Municipality and neighbouring communities are invited to an open house to discuss the proposed 2X100 MW Kisik Power DC&JC Solar Energy Project.

Innergex Renewable Energy is developing the project for future SaskPower Requests For Proposals. This meeting is an occasion to exchange and get feedback from community members.

February 7, 2024

6:00 pm to 7:00 pm
Light snacks will be served
Turvey Center
100 Armour Rd. RM of Sherwood
S4K 0A8
