- The developer or owner must enter into a three-way agreement with the contractor and the RM of Sherwood No. 159
- The applicant may choose from this approved contractor list to install water line services.
- The owner or developer covers all the associated costs and the cost of the water line installation.

For further information, please contact the RM of Sherwood Office 306-525-5237.

Note: All service connections shall conform to the regulations and standards governing plumbing and drainage construction specifications, National Building Codes, City of Regina Standard Construction Specification Manual and the RM connection standards.
