PROJECT DETAILS

- The contractor for this project is Pasqua Paving, A Division of WF Botkin Construction Ltd.
- Contract supervision will be provided by Tetra Tech personnel.
- The contractor is expected to begin road work on June 29, 2020 and is expected to complete the project, weather permitting, by October 9, 2020.
- The estimated cost of this project is \$6.8 million.
- Public traffic can expect minor delays and disruptions to their normal travel schedules as one lane will be open most of the time (with a few exceptions) for continuous flowing traffic. The contractor will provide traffic accommodation. Nightly ramp closures on Pasqua Street Interchange are expected until July 17, 2020.
